The first name in fireplaces

Heirloom

Direct Vent Gas Fireplace

Available IntelliFire®
app and voice control

Heirloom

authentic masonry style
powerful heat

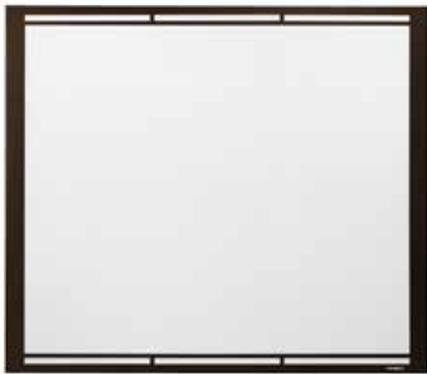

The Heirloom provides authentic masonry style without the costs of a site-built masonry fireplace. The largest 36, 42 and 50-inch viewing areas in their class showcase intense fires and textured brick interior panels. Powerful heat and high-efficiency performance help make the Heirloom a welcomed addition to any home.

Features

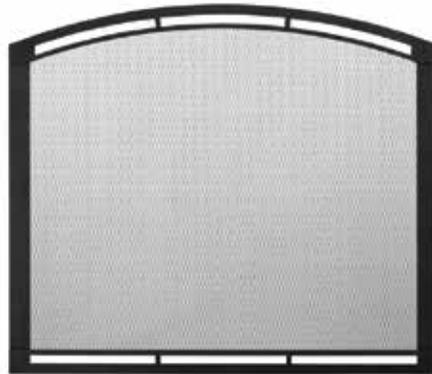

- Authentic masonry style without the costs of a site-built masonry fireplace
- 36", 42" and 50" viewing areas
- Variable flame control up to 65,000 BTUs
- High-efficiency, AFUE-rated performance
- IntelliFire® touchscreen remote comes standard; add the IntelliFire app or wireless wall switch for the solution that fits your life
- Choose from standard traditional or herringbone interior panels, or optional fade-resistant reflective black glass interior panels (36" and 42" only)
- Finish it your way with a choice of decorative firescreen fronts with fine mesh for a clear view of the fire
- Heater listed to ANSI Z21.88 standards

Technologies

IntelliFire Touch® Ignition System

IntelliFire Touch is our most advanced intermittent-pilot ignition (IPI) system, making operating your appliance simple, smart and safe. Select from the IntelliFire app, touchscreen remote or wireless wall switch for the solution that fits your life.

Direct Vent Technology

Direct vent technology removes 100% of combustion exhaust and fumes from your home. These sealed fireplaces provide optimal heat, conserve energy and ensure clean, safe indoor air quality.

EnerGuide (CSA P.4.1-15) Ratings

Used in Canada and some U.S. states to measure annual fireplace efficiency.

RATING	HEIR36T/H	HEIR42T/H	HEIR50T/H
EnerGuide (CSA P.4.1-15)	59.6%	67.0%	67.5%

Exceptional Value + Dependability

Why do contractors, architects and homebuyers trust Heatilator? Because we mix value with dependability. Established in 1927, Heatilator has built a long standing reputation for providing quality, dependable hearth products at unbeatable values. Today, Heatilator remains the most preferred, recommended and installed fireplace brand among building professionals.
